There is limited availability in the Nursery for girls seeking the minimum 5 daily sessions in line with the Government Early Years Grant Scheme. All parents are eligible to receive this grant in respect of full or part-time attendance. The school accepts the Government Early Years Grant as part payment for fees and will administer this on behalf of parents. The school also accepts a variety of employers' child care vouchers.

All fees, which include tuition, text books and stationery (and transport to and from sports facilities,) must be received on or before the first day of each term. No reductions can be made in the event of absence from school through illness unless arrangements for insurance covering reimbursement of tuition fees during such absence have been made with the School. All children are insured against accident and details are available from the Bursar.

Fees can also be paid by direct debit on a periodic basis, details of which can be obtained from the Bursar.

Fees may also be paid via schemes through leading insurance companies and brokers. The Bursar is always available to give information and guidance to parents on this or any other related matter.

Levels of fees are adjusted from time to time. It is normal to give notice of any rise in fees one term in advance. Notice of intention to remove a pupil must be given in writing one full term in advance, otherwise payment for the next term will be required. This notice must reach the School on or before the first day of the preceding term and will be validated by written acknowledgement from the School.

Academic Scholarships, Music Exhibitions and means-tested Bursaries are available at 11+ as well as other internal awards related to progress within the School.
