

TERMS AND CONDITIONS

What these terms cover. These are the Terms and Conditions on which we provide educational services.

Why you should read them. Please read these terms carefully before you accept our offer of a place at the School for your child. These terms tell you who we are and how and on what basis the School will provide educational services.

In these terms you will see some parts written in bold or highlighted to stand out. This is in an effort to draw certain provisions to your specific attention because they are important to the good management and operation of the School and our provision of educational services.

If you think there is a mistake in these terms, or if anything in these terms is unclear or you would like to have further explained to you, then please contact the Head to discuss.

1. **Definitions**

- (a) *Meanings of some words and phrases we use in these Terms and Conditions.* In these Terms and Conditions some words and phrases have particular meanings and it is helpful to ensure certainty and consistency to have them defined. Such defined terms are set out below and when used in these Terms and Conditions they shall have the meaning given to them here.

"**Acceptance Form**" means the form provided by the School for parents to complete when accepting a place for their child at the School;

"**child**" means a child of whatever age admitted by the School to be educated;

"**Complaints Policy**" means the School's procedure for handling complaints from parents, as amended from time to time for legal or other substantive reasons, or in order to assist the proper administration of the School. It does not form part of the contract between you and the School. A copy of the most up-to-date policy is on the School's website and is otherwise available from the School at any time upon request;

"**contract**" has the meaning given in Clause 1(c) below;

"**deposit**" means the amount set out and referred to as the deposit in the Acceptance Form (and that is separately set out in the Schedule of Fees);

"**fees**" means the termly fees set out in the Schedule of Fees;

"**Head**" means the person appointed by the Governors of the School to be responsible for (or to share in the responsibility for) the day-to-day running of the School, including anyone to whom such duties have been delegated;

"**Schedule of Fees**" means the published note of the School's prevailing fees notified to you from time to time and a copy of which remains available on the School's website and from the School at any time upon request;

"**School Regulations**" means the body of rules of the School as may be amended from time to time for legal, safety or other substantive reasons, or in order to assist the proper administration of the School. A copy of the then current version of the regulations is provided to each child on entry and is sent to parents with the Acceptance Form;

"**term**" means a term of the School as notified to parents from time to time;

"**a term's notice**" means **written** notice given by both parents or one of the parents with the prior written consent of the other parent and in either case the prior written consent of any other person with parental responsibility where appropriate, before the first day of the term *before* the term to which the notice relates¹;

"**Terms and Conditions**" means these Terms and Conditions as may be amended from time to time;

"**we**" or the "**School**" means the legal entity carrying on as the School as identified in Clause 1(b) below; and

"**you**" or the "**parents**" means each person who has signed the Acceptance Form as a parent of the child, or a person who with the School's express written consent replaces a person who has signed the Acceptance Form.

In these Terms and Conditions we sometimes provide illustrative examples to try and provide you with a better understanding of what we are referring to. We do this by using the words "**for example**", "**includes**" or "**including**". When we do use these words, it means that the examples that are given are not exclusive or limiting examples of the matter in question.

We also use headings to introduce separate provisions. These headings are for ease of understanding only.

- (b) Who we are. We are Palmers Green High School Ltd a company registered in England and Wales. Our company registration number is 537727 and our registered office is at 104 Hoppers Road, London N21 3LJ.
- (c) Our contract with you. The **Letter of Offer**, the **Acceptance Form**, the **Schedule of Fees** and these **Terms and Conditions** (as in each case may be varied from time to time) form the terms of an agreement (the "**contract**") between you and the School. It is not intended that the terms of this contract shall be enforceable by your child or by any other third party.

¹ So if, for example, a term's notice is required to withdraw your child from an extra-curricular activity with effect from the start of the *summer* term (which is the term to which the notice relates) then **a term's notice** means you need to tell us in writing about the withdrawal, at the latest, before the first day of the *spring* term immediately before.

2. Acceptance and Deposit

- (a) How you accept our offer of a place. An offer of a place for your child at the School is accepted by you submitting the completed Acceptance Form and paying the deposit.
- (b) How we use the deposit: Unless stated otherwise in these Terms and Conditions the deposit will form part of the general funds of the School until it is credited without interest to the final payment of the fees or other sums due to the School on your child's leaving.
- (c) Cancellation rights. If the offer of a place and its acceptance are both made entirely at distance by means of post, fax or electronic communication without either of the parents meeting face to face with a member of the School staff during the contractual process, the parents have the right to cancel this agreement at any time within 14 days of the day after we receive your completed and signed Acceptance Form. Information about the right to cancel and how to cancel is set out in the School's cancellation notice and form published on the School website. In such circumstances, the deposit will be refunded together with any fees paid pro-rated if the School has provided any educational services under this agreement.
- (d) Requirement for you to increase the deposit amount. Where an offer of a place for your child to enter the Lower School is accepted, you shall pay a further sum equivalent to the difference between the deposit already paid and the deposit payable for the Lower School to accept the place. Where an offer of a place for your child to enter the Senior School is accepted, you shall pay a further sum equivalent to the difference between the deposit already paid and the deposit payable for the Senior School to accept the place.

PLEASE READ THIS NEXT SECTION CAREFULLY - *it deals with what you need to do if you wish to withdraw your acceptance of a place **before** your child joins the School and what happens if you withdraw at that stage.*

The cancellation of a place which has been accepted can cause losses to the School, especially if it occurs after other families have taken their decisions about schooling for their children as it means we are less likely to fill the place. This is why we require the period of notice referred to in this section for a withdrawal, and why different consequences follow depending on whether we get that period of notice or not.

3. Withdrawing your Acceptance of a Place before your child joins the School

- (a) The period of notice we require. **If and after expiry of the 14 day period if applicable described in 2 (c) above, you wish to withdraw your acceptance of a place BEFORE your child starts at the School you must give us written notice before the first day of the term immediately preceding the term in which your child was due to start.** This means that if, for example, your child is due to start at the School in September at the start of an academic year then you would need to tell us in writing that you wish to withdraw your acceptance of a place before the first day of the preceding summer term (ie, the final term of the previous academic year).
- (b) If we receive that period of notice. **If you provide that period of notice, you will lose the deposit but no further fees will be payable.** Cases of serious illness or genuine hardship may receive special consideration on written request.
- (c) If we do not receive that period of notice. **If you do not provide us with notice before the first**

day of the term immediately preceding the term in which your child was due to start (or if no notice is provided at all) a term's fees will be payable by you and will become due and owing to the School as a debt. The term's fees will be charged at the rate applicable for the term immediately preceding the term when your child was due to start. The School will credit the deposit you have paid (without interest) to the payment of the term's fees you will owe us. Where applicable, such fees will be reduced to take account of any scholarship or bursary awarded to you. Cases of serious illness or genuine hardship may receive special consideration on written request.

- (d) Offers made in the term before entry: If the offer of a place is made in the term immediately prior to the term when your child was due to start, the parents may withdraw their acceptance in writing at any time up to four weeks from the date of the Acceptance Form. If Clause 2(c) applies the four week period shall start when the 14 day cancellation period expires. The deposit will then be retained by the School. If the parents give notice of withdrawal after this date or give no notice of withdrawal they will incur a liability to pay one term's fees at the rate payable for the term of entry, less the deposit, payable as a debt.

4. School Fees, Supplemental Charges and Payment

- (a) What the fees include. The fees include all the costs incurred in the usual course of the education by the School of your child, including the provision of any necessary educational materials (with the exception of text books/work books issued for personal use), which are included in the fees unless otherwise notified to you by the School at any time (either in the Schedule of Fees or otherwise).
- (b) What the fees do not include: supplemental charges. We refer to any items charged to you that are supplemental to the fees (that is, items that are payable by you to the School in addition to the fees) as **supplemental charges**. By way of example, any extra-curricular activities (such as private music lessons, trips and visits) in which you agree in advance your child may participate will be supplemental to items met by the fees and charged for accordingly. Additional charges incurred by the School in providing for the individual educational needs of your child may also be charged as supplemental to the fees where it is lawful to do so.

PLEASE READ THIS NEXT SECTION CAREFULLY - *it deals with your responsibility to pay the fees and supplemental charges.*

- (c) (i) Who is responsible for ensuring payment. **Each of you who has signed the Acceptance Form is liable for and must ensure that all of the fees and supplemental charges due are paid to the School. This is because our contract applies to both of you together and each of you on your own.** Each of you remains liable to the School for all of the fees and supplemental charges due UNLESS AND UNTIL the School has expressly agreed in writing with each of you to look exclusively to a third party for payment of the fees and/or any supplemental charges. Each person who signs the Acceptance Form has an individual responsibility to ensure that, between them, the fees and supplemental charges owing to the School are paid. In practice, this means that if fees or supplemental charges have not been paid to the School then in order to recover the outstanding payments, the School can seek payment of the full amount outstanding from either parent. If an item on the fees invoice is under query, the balance of that fees invoice must be paid. The School reserves the right to refuse a

payment if it is not satisfied as to the identity of the payer or the source of the funds.

- (ii) How can one person remove him/herself from their payment responsibility. A person who has signed the Acceptance Form may withdraw from this contract with the School by submitting a term's notice but that person **must** obtain the prior written consent of **both** the School and the other person who has signed the Acceptance Form.
- (iii) Payment of fees by a third party: An agreement with a third party to pay the Fees or any other sum due to the School does not release the parents from liability if the third party defaults and does not affect the operation of any other of these Terms and Conditions unless an express release has been given in writing, signed by the Bursar. The School reserves the right to refuse a payment from a third party.
- (iv) How bursary etc awards are treated. If your child has been awarded a scholarship/bursary, your responsibility will be to pay for the amount of fees due after taking account of that award. **An award may be withdrawn in accordance with (or by reference to) the terms upon which such award is made and/or if, in the opinion of the Head, your child's attendance, progress and/or behaviour no longer merit the continuation of the award. Any such withdrawal of an award will not operate so as to increase the fees due in respect of a term which has already commenced.** Where it appears likely to the Head that an award may be withdrawn from your child, you will be notified in advance. If within fourteen (14) days following the withdrawal of a scholarship or bursary your child is withdrawn from the School, no fees in lieu of notice will be payable by you. This will give you enough time to decide whether you want to continue to educate your child at the School.
- (d) How the fees are charged and payment requirements. Except where a separate agreement has been made between the parents and the School for the deferment of payment of fees **each term's fees are charged separately and the fees payable in respect of each term fall due for payment by you on the first day of that term.** Each term's fees will be included in an invoice sent to you (or such other person(s) the School may have agreed separately shall pay the fees under Clause 4(c)(iii) above). The fees must be paid as cleared funds and in full by direct bank transfer before the first day of the term to which the invoice relates. **We may not allow your child to attend the School if you do not pay on time.**
- (e) Instalment arrangements: An agreement by the School to accept payment of fees by instalments is concessionary and will be subject to separate agreement(s) between the parents and the School. The School may agree that the fees that are or will fall due in relation to any term can be paid in instalments. If we agree to do this, then the School and those responsible for paying those fees will agree separately in writing the anticipated schedule of instalments by which the deferred amount of each term's invoice is to be paid. The agreed amount for each term will need to be paid by direct debit in not more than four instalments per term (unless otherwise agreed in writing by the School. The School will issue a separate invoice and schedule of instalments relating to the fees due in respect of each term, which will be evidence of the separate agreement for the payment of that term's fees. Where there are inconsistencies between these Terms and Conditions and those of any separate agreement or invoice issued by the School to the parents (as applicable), the terms and conditions of the instalment agreement or the invoice shall prevail.

- (f) Payment of supplemental charges. All supplemental charges for each term (and for other unpaid supplemental charges that were agreed during the previous term) will be included in the School's fees invoice. **All such supplemental charges must be paid as cleared funds in full by direct bank transfer or included in the agreed direct debit instalments by the end of the term in which they have been invoiced.**

PLEASE READ THIS NEXT SECTION CAREFULLY - *it sets out what rights we have, and what action we may take, if fees and/or supplemental charges are not paid in accordance with these Terms and Conditions.*

- (g) (i) Non-payment of fees: refusal to attend school. **We may refuse to allow your child to attend the School or to withhold any references while fees remain unpaid or there is a persistent failure by you to pay the fees on time.**
- (ii) Non-payment of supplemental charges: refusal to participate in the relevant activity. **We may refuse to allow your child to participate in the relevant extra-curricular activity, or sit the relevant public examination(s), while the applicable supplemental charge for that activity or examination(s) remains unpaid.**
- (iii) We can charge interest if you pay late. If you do not make any payment to the School by the due date for payment (see Clauses 4(d) and 4(f) above) we may charge interest to you on the overdue amount at the rate of 2 per cent a year above the base rate from time to time of the School's bank. Unless we tell you otherwise in writing, this interest will accrue on a daily basis from the due date until the date of actual payment of the overdue amount, whether before or after we obtain a court judgment against you. **You must pay the School the interest together with the overdue amount.**
- (iv) We can recover our costs for recovering late or non-payments. You will be responsible for paying the costs we incur in recovering, or attempting to recover, any unpaid fees or supplemental charges from you (including reasonable legal fees and costs being fees and costs that would be allowable by the courts if judgment was made in the School's favour).
- (v) We can notify other educational institutions of your outstanding payments. **The parents acknowledge that we may inform any other previous school or school or educational establishment to which you propose to send your child of any outstanding fees or supplemental charges.**

PLEASE READ THIS NEXT SECTION CAREFULLY - *it sets our right to increase the fees during the course of your child's time at the School.*

- (h) Our ability to increase the fees. **We will review our fees during the course of your child's education (usually annually) and may increase them. Notice of an increase in the fees will be sent to you before the end of the penultimate term before the increase is to take effect. This will allow you time to consider the increase and, if you wish to withdraw your child from the School before the proposed increase is set to take effect, then you will have sufficient time to provide the required term's notice of withdrawal to the School under Clause 5(a) below.**

- (i) Fees and supplemental charges will not be refunded or reduced due to your child's absence. Save where there is a legal liability including liability under a court order or under the provision of this agreement to make a refund or reduction, fees and any agreed supplemental charges will not normally be reduced or refunded as a result of absence due to illness or otherwise. If your child takes study leave at home before or during public examinations, or stays at home following those examinations, no reduction of fees will be made in respect of such periods spent at home.

PLEASE READ THIS NEXT SECTION CAREFULLY - it sets out what period of notice we require from you if you wish to withdraw your child from the School or remove your child from participating in an activity for which there is a supplemental charge.

Due to the termly organisation and allocation of resources we will charge you if you do not provide us with the required period of notice to cover the School's losses. In such circumstances we require you to pay us a sum equivalent to the fees and/or supplemental charges you would have paid had the required period of notice been given – we refer to the relevant sum as "**fees in lieu of notice**".

5. **Notice Requirements**

- (a) Notice to withdraw your child from the School. **If you wish to withdraw your child from the School (other than at the normal leaving date at the end of Year 11), you must either give us a clear term's notice to that effect or pay to the School a term's fees in lieu of notice, at such rate as would have been charged for the final term of provision if a term's notice had been given.** This means that if, for example, you wish to withdraw your child with effect from the start of the autumn term (i.e., at the start of an academic year) then you would need to tell us in writing that you wish to withdraw your child before the first day of the preceding summer term (i.e., the final term of the preceding academic year).
- (b) When the relevant amount in lieu of notice must be paid. In cases under (a) above, the appropriate sum in lieu of notice will become payable by you to us as a debt on the first day of the term which would have been the final term of provision if a term's notice had been given.
- (c) Notice to withdraw your child from participating in an activity covered by a supplemental charge. If you wish to withdraw your child from an activity charged for as supplemental, you must either give a term's notice to that effect or pay to the School as a debt a term's charges for the activity in which your child has ceased to participate.
- (d) Withdrawal part-way through a term does not reduce the amount you owe to the School. The School's affairs are organised on a termly basis and it is not possible for you to reduce the amount of fees or supplemental charges due, or to obtain a refund of fees or supplemental charges, by withdrawing your child or by your child's ceasing to participate in an activity part-way through a term.

6. **School Regulations**

- (a) Compliance with the School Regulations. It is a condition of remaining at the School that you and your child comply with the School Regulations. In addition, you promise to ensure that your child attends School punctually and that your child conforms to any rules of

appearance, dress and behaviour as we may issue (if not already included within the School Regulations).

- (b) Monitoring your child's email communications, internet use, and use of social media. **The School may, subject to applicable data protection legislation, monitor your child's email communication, internet use, and use of social media.** We may do this for various reasons, including ensuring compliance with the School's ICT Acceptable Use Policy or where it is appropriate for the School to do so (or indeed necessary) in connection with the School's legal and/or other duties and responsibilities or other legitimate purposes or good practice requirements.

7. **Suspension, Expulsion and Required Removal**

- (a) The Head's discretion to suspend or expel your child from the School. The Head may in his or her discretion suspend or, in serious or persistent cases, expel your child from the School if the Head considers that your child's conduct or behaviour (including behaviour or conduct outside school) is unsatisfactory and the suspension or expulsion is in the School's best interests or those of your child or other children.
- (b) Where you can find examples of offences punishable by suspension or expulsion. The School Regulations and the Behaviour Policy sets out examples of offences likely to be punishable by suspension or expulsion. These examples are not exhaustive and the Head may decide that suspension or expulsion for a lesser offence is justified where there has been previous misbehaviour. All aspects of your child's record at the School may be taken into account
- (c) The Head's discretion to require you to remove your child from the School. Instead of expulsion or suspension, the Head may in his or her discretion require you to remove your child from the School if the Head considers that:
- (i) **your** behaviour or conduct (or the behaviour or conduct of one of you): is unreasonable; and/or adversely affects (or is likely to adversely affect) your child's or other children's progress at the School, or the wellbeing of School staff or any member of the School community; and/or brings (or is likely to bring) the School into disrepute; and/or is not in accordance with your obligations under this contract where we have cancelled this contract under Clause 14 below; or
 - (ii) your child's attendance or progress is unsatisfactory and, in the reasonable opinion of the Head, the removal is in the School's best interests and/or those of your child or other children; or
 - (iii) your child has committed a breach or breaches of the School Regulations or discipline for which removal is the appropriate sanction.
- (d) What happens if your child is suspended, expelled or removed from the School.
- (i) Should the Head exercise his or her right under either Clause 7(a) or Clause 7(c) above you will not be entitled to any refund or remission of fees or supplemental charges due (whether paid or payable) in or relating to the term in which your child is expelled or suspended. If your child is expelled, the deposit will be forfeited meaning that the School will retain the deposit. If you are required to remove your child from the School as a result of the Head exercising his or her discretion under Clause 7(c) then the deposit will be credited in the usual way (see Clause 2(b)).

(ii) If your child is expelled or you are required to remove your child from the School, fees in lieu of notice will **not** be payable and any fees and/or supplemental charges that have been prepaid for or relating to any term after the expulsion/required removal will be refunded.

(e) Impact of expulsion or required removal on this contract. Provided you have paid the School's final invoice, this contract will terminate with immediate effect if your child is expelled or if you are required to remove your child from the School.

(f) Your right to have disciplinary matters or decisions reviewed. You are entitled to request a review of decisions taken by the School and/or the Head to expel or require the removal of the pupil. Any such review shall be governed by the Complaints Policy.

8. The School's Obligations

(a) The period of your child's schooling: It is assumed that each pupil who satisfies the relevant criteria as set out in the School's Admissions Policy will progress through the School and will ultimately complete Year 11. Parents will be consulted before the end of the Spring term if there appears to be any reason why the pupil may be refused a place in the next year of the School. Unless the pupil will be leaving at the end of Year 11 the parents must give notice in writing in accordance with the provisions about notice in Clause 9 below.

(b) The scope of our duty to exercise reasonable skill and care for your child's education and welfare. While your child remains a pupil of the School, we will exercise reasonable skill and care in respect of your child's education and welfare. This obligation will apply during school hours and at other times when your child is permitted to be on School premises or is participating in activities organised by the School. **We cannot accept any responsibility for the welfare of your child while off the School premises unless your child is taking part in a school activity or otherwise under the supervision of a member of School staff.**

(c) Consent to participation in contact sports and similar activities. Unless you notify us to the contrary, you consent to your child participating, under supervision, in contact sports and in other normal sports and activities, which may entail some risk of physical injury.

(d) What happens if your child needs urgent medical attention. If your child requires urgent medical attention while under the School's care, we will, if practicable, try to obtain your prior consent. **However, if it is not practicable to contact you we will make the decision on your behalf if, for example, consent is required for urgent treatment recommended by a doctor or other medical practitioner (including anaesthetic or operation, or blood transfusion (unless you have previously notified us you object to blood transfusions).**

(e) Our right to make changes at the School. Our prospectus describes the broad principles on which the School is presently run. However, from time to time it may be necessary to make changes to any aspects of the School, including the curriculum or the manner of providing education for your child (including by providing such education remotely whilst your child remains at home, for example, where the School is required to close the School premises).

(f) We will give you notice of significant changes. We will give you notice of any changes that we regard as significant to your child's education prior to the end of the penultimate term before the change is to take effect. This will allow you time to consider the proposed change and, if you wish to withdraw your child from the School before the proposed change is set

to take effect, then you have sufficient time to provide the required term's notice of withdrawal to the School under Clause 5(a) above.

- (g) *Equality*: The School is a mainstream day school for girls aged from 3 to 16 years. The School has a Christian ethos and welcomes staff and children from many different ethnic groups, backgrounds and creeds. Human rights and freedoms are respected. At present, our physical facilities for the disabled are limited but we will do all that is reasonable to ensure that the School's culture, policies and procedures are made accessible to children who have disabilities and to comply with our legal and moral responsibilities under equality legislation in order to accommodate the needs of applicants and pupils who have disabilities for which, after reasonable adjustments, the School can cater adequately.

9. The Parents' Obligations

- (a) We require your co-operation. In order to fulfil our obligations under this contract and to maintain a constructive and good faith relationship with you, we, the Head and School staff, need your co-operation, including in particular by you fulfilling your own obligations under this contract.
- (b) Examples of the co-operation and assistance we require. You must co-operate with the School and School staff in good faith, including by:
- (i) maintaining a constructive relationship with School staff (including where the School is exercising its rights and performing its obligations under this contract);
 - (ii) encouraging your child to study, and giving appropriate support at home;
 - (iii) keeping the School up-to-date and informed of matters which affect or may affect your child (including circumstances which arise at any time that affect or may affect your ability to pay the fees and supplemental charges for your child);
 - (iv) ensuring that all details or other information notified or otherwise disclosed to the School about you and/or your child are accurate, truthful and not misleading and that relevant details and information (or changes to it) are not withheld;
 - (v) providing cooperation and assistance to the School so that your child can participate in, and benefit from, the School's provision of education (including where the School may wish/need to provide such education remotely); and
 - (vi) attending meetings and keeping in touch with the School where your child's interests so require.
- (c) You must notify us of your child's health/medical conditions or special educational needs. **It is a condition of your child's joining and remaining at the School that you complete and submit to the School a medical questionnaire in respect of your child.** You must inform the School of any health or medical condition, special educational need(s), disability or allergy that your child has or subsequently develops, whether long-term or short-term, including any infections. You must also provide us, whether upon further request by the School or otherwise, any reports or other materials relevant to any of the same.
- (d) Circumstances where we may require you to keep your child away from School. If the School so requires due to a health risk either presented by your child to others or presented to your child by others or by reason of a virus, pandemic, epidemic or other health risk, you undertake to keep your child at home and not permit your child to return to the School until

such time as the health risk has passed. Where it is considered appropriate in such circumstances we will try to continue providing education to your child remotely during such period (including, for example, by sending you/your child work assignments electronically or by post).

- (e) You must notify us of any special arrangements needed for your child. You must inform the School of any situations where special arrangements may be needed for your child, including for their education or welfare.
- (f) You must notify us of any court orders that relate to, or that may impact upon, the provision of education to your child; and provide us with copies of them. You must inform the School if, at any time prior to or during your child's time at the School, a court order is put in place or an undertaking is given to a court in respect of (or relating to) your child's attendance at the School (including its premises) and/or the School's provision of education to your child. These would include any court order or undertaking given to a court which may deal with or impact upon in any way: (i) your child's living and/or contact arrangements; (ii) your child's education, welfare and/or upbringing; and/or (iii) the payment of fees and/or supplemental charges. In any such circumstances you must (whether upon request or otherwise) promptly provide the School with copies of the relevant court order(s) or undertaking(s) (or the relevant parts of them).
- (g) We require you to nominate a 'responsible adult' for us to contact in your absence. It is a condition of your child's joining and remaining at the School that you complete the emergency contact details on page 2 of the Acceptance Form for a nominated 'responsible adult' for your child who will be delegated the authority by you to make decisions relating to your child if the School is not able to contact you.
- (h) We are entitled to expect that parents have consulted with each other regarding decisions relating to your child. You (and each of you as the holders of parental responsibility for your child) acknowledge and agree that, prior to and during your child's time at the School, the School is entitled to assume that you have consulted with each other so far as decisions regarding your child are concerned. Accordingly, except under Clause 9(k) below, you (and each of you) accept that the School is entitled to treat:
 - (i) any instruction, authority, request or prohibition received from one of you as having been given on behalf of both of you; and
 - (ii) any communication from the School to one of you as having been given to both of you.
- (i) *Emergency medical treatment:* You authorise the Head to consent on their behalf to the pupil receiving emergency medical treatment where certified by an appropriately qualified person as necessary for the pupil's welfare and if the parents or emergency contact cannot be contacted in time.
- (j) *Immigration:* The School does not hold a licence to sponsor international students under Tier 4 of the points based system of immigration. The parents must inform the Head when returning a completed registration form or at any other time if their child does not have the right to live and study in the United Kingdom. It shall be the parents' responsibility at all

times to ensure that their child has the appropriate immigration permission to live in the United Kingdom and to study at the School.

PLEASE READ THIS NEXT SECTION CAREFULLY – *it sets out who needs to sign a notice of withdrawal of your child.*

- (k) *We are entitled to require that notices of withdrawal must be signed by both parents.* **A notice of withdrawal of your child served under this contract (ie, under any of Clauses 3(a), 4(c)(iii) or 5(a)) must be in writing and signed by each of you as the holders of parental responsibility for your child (and the School shall be entitled not to accept such notice unless and until all holders of parental responsibility for the child have signed such notice).**
- (l) *You must notify us of your child's absence from School.* The Head must be informed as soon as possible in writing of any reason for your child's absence from School. Wherever possible the School's prior consent should be sought for absence from the School.
- (m) *Parents must notify us if they will be absent for a period of time.* If at any time during your child's time at the School all who have signed the acceptance form will not be in the United Kingdom at any time or will otherwise be absent from your main residential address for a period of longer than 24 hours then you must inform the School immediately in writing and provide the details required by the School as a result, including the name and contact details for a 'responsible adult' for the period of your absence.
- (n) *Raising concerns with the School and making formal complaints.* If you have cause for concern as to a matter of safety, care, discipline or progress of your child you must inform the School without undue delay. Complaints should be made in accordance with the Complaints Policy. A copy of the most up to date version of the Complaints Policy is on the School's website and is otherwise available from the School at any time upon request.

10. **Insurance**

Your responsibility to make your own insurance arrangements. You must make your own insurance arrangements if you require cover for your child or their property while at School or for the payment of fees due to absence of your child or closure of the School premises. Your child is included in an obligatory personal accident insurance scheme, the charge for which is included in the fees.

PLEASE READ THIS NEXT SECTION CAREFULLY

Although there will be circumstances when it is appropriate to seek parental consent, data protection and privacy rights belong to the individual. The law considers that children of average maturity will, from the age of around 12, have sufficient awareness of their own privacy to make certain decisions relating to their personal data themselves and sometimes, but not always, the law may require that the decision of the child is more important than that of the parent.

In most cases, it will not in fact always be necessary or practical for us to obtain consent for every use we make of personal data of you or your child. The law recognises this but also requires that we set out clearly what these uses are as far as possible. Please also see our Privacy Notice, which is available on the School's website.

11. How we may use Personal Information: References, Confidentiality and Data Protection

- (a) We may provide a reference for your child. We may supply information and a reference in respect of your child to any educational institution which you propose your child may attend. Any reference supplied by us will be confidential. We will take care to ensure that all information that is supplied relating to your child is accurate and any opinion given on your child's ability, aptitude for certain courses and character is fair. However, we cannot be responsible for any loss you are or your child is alleged to have suffered resulting from opinions reasonably given, or correct statements of fact contained, in any reference or report given by us.
- (b) We will need to use information relating to your child, and to you, for certain purposes connected with the running of the School. This will include name, contact details, school records, photographs and video recordings, both whilst your child is at the School and after your child has left, for the purposes of:
- (i) managing relationships between the School and current pupils/parents and fulfilling our obligations under the contract with you;
 - (ii) promoting the School to prospective pupils/parents;
 - (iii) publicising the School's activities; and
 - (iv) communicating with the school community and the body of former pupils.

In respect of (ii), (iii) and (iv), this includes use of such information by the School in/on the School's prospectus (in whatever format or medium it is produced/made available), the School's website(s) and (where appropriate) the School's social media channels. Please see the School's Privacy Notice for more information about how the School uses photographs and videos of pupils. The School may seek specific consent from the parents before using a photograph or video recording of the pupil where the School considers that the use is more privacy intrusive. Where the pupil is of sufficient maturity (usually when aged 12 years or older) we may seek the pupil's specific prior consent in addition to or instead of the parents' consent. We would not disclose the home address of the pupil alongside a photograph or video without the parents' consent.

- (c) You are required to update us of changes to information held, or in circumstances relating to, you and/or your child. You must:
- (i) confirm (or update, if necessary), when requested, such information (and/or documentation) about (or relating to) you and/or your child that is held by the School; and
 - (ii) inform the School of any change to you or your child's circumstances (including, where applicable, in connection with your child's entitlement to enter, reside and/or study in the United Kingdom see Clause 9 (j) above), or to information about (or relating to) you or your child that has previously been notified to the School, including relevant contact details.
- (d) We will send information (e.g. school reports) about your child to both of you as a matter of course. You agree that those persons who have parental responsibility for your child are entitled to receive certain information about your child from the School (including school reports, correspondence and other materials relating to your child's progress, development and/or education generally). The School shall therefore disclose such information as a matter of

routine to such persons UNLESS the School is restricted from doing so by a court order (or similar direction) or by any other legal requirement or obligation (for example, under the Data Protection Act 2018 (as amended or superseded)).

- (e) Data Protection Law. The School will process personal data about you and your child in accordance with the Data Protection Act 2018 and GDPR (as amended or superseded) and other related legislation. We will process such personal data:
- (i) as set out in this Clause 11, and in the School's Privacy Notice which is available on the School's website as may be amended from time to time;
 - (ii) in order to comply with any court order, request from or referral to an appropriate authority, or legal, regulatory or good practice requirement; and
 - (iii) to perform our obligations under this contract, and where otherwise reasonably necessary for the School's purposes.

12. Intellectual Property Rights

Recognising these rights. We shall recognise any intellectual property rights created, generated or owned by or vested in your child.

13. Changes in Ownership, etc

The circumstances in which we may transfer this contract to someone else. For the purposes of constitutional changes to the School (including changes to the legal entity that owns and runs the School) or amalgamation of the School with another we may transfer the undertaking of the School to another person or organisation. We will notify you if we plan to do this and we will ensure that the transfer will not affect your rights under this contract. We may transfer our rights and obligations under this contract in connection with any such transfer and/or amalgamation.

PLEASE READ THIS NEXT SECTION CAREFULLY - it sets out the rights we have, and that you have, to cancel this contract early (that is, before the normal leaving date for the end of your child's schooling).

14. Ending this Contract

- (a) Our rights to end the contract. The School may end this contract at any time by notice in writing to you, without any obligation to return any deposit or fees paid to you, if:
- (i) you do not make a payment to us when it is due and you still do not make payment within fourteen (14) days of us reminding you that such payment is due;
 - (ii) you (or either of you) make a serious misrepresentation of facts or circumstances to us, or you (or either of you) withhold important information from us, about you and/or your child or that is relevant to the provision of education by the School to your child (such as misrepresenting at any point in time (and whether by act, omission or withholding of information on your part) that you and/or your child is legally entitled to enter, reside and/or study in the United Kingdom when in fact you/your child is not);
 - (iii) you fail or refuse to complete and submit to the School a medical questionnaire in respect of your child;

- (vi) you (or either of you):
 - (a) are unable, following our request, to demonstrate that you will be able to pay the fees and supplemental charges due under this contract;
 - (b) are otherwise unable to pay your debts as they fall due;
 - (c) are the subject of a bankruptcy petition or order; or
 - (d) you enter into an individual voluntary arrangement; or
 - (vii) you otherwise do not comply with (ie, you breach) your obligations under this contract such that we have a legal right to end the contract because of something you have done wrong or, in the Head's reasonable discretion, the School is not able to provide, or is compromised in providing, all or a significant part of the educational services it needs to in satisfaction of its obligations under this contract.
- (b) Your rights to end the contract. You may end this contract at any time by notice in writing to the School if:
- (i) you have a legal right to end the contract because of something we have done wrong; or
 - (ii) the School becomes insolvent or goes into liquidation or receivership or administrative receivership or is wound-up for any reason.
- (c) When this contract will end if not terminated early. For the avoidance of doubt and without us having to provide you with notice, this contract shall end on the settlement of the School's final invoice or the end of your child's schooling, whichever is later.
- (d) Ending the contract will not affect any accrued rights. Once this contract ends, it will not affect any legal rights or obligations that either you or we have that may already have arisen. After this contract ends, you and we will keep any rights we have under general law.

15. Events outside of our, or your, control

- (a) What we mean by an "event outside of our/your control". We mean any event beyond either your or our reasonable control including, by way of example and for the avoidance of doubt, acts of God, war, riot, civil commotion, compliance with any law or governmental order, rule, regulation or direction (including that of a local authority), accident, fire, flood, storm, pandemic or epidemic of any disease, terrorist attack, chemical or biological contamination. In the remainder of this Clause 15 we shall refer to these as an "event".
- (b) What happens if we are affected by an event outside of our control. If an event beyond our control arises which prevents or delays the School's performance of any of its obligations under this contract, the School shall give you notice in writing specifying the nature and extent of the circumstances giving rise to the event. Provided that the School has acted reasonably and prudently to prevent and/or minimise the effect of the event the School will not be responsible for not performing those of its obligations which are prevented or delayed by, and during the continuance of, the event. To the extent reasonably practicable in the circumstances the School shall try during the continuance of the event to continue to provide educational services (including by providing appropriate educational services remotely).
- (c) Events lasting more than 6 months. If the School is prevented from performing all of its obligations as a result of an event for a continuous period of more than six (6) months, the

School shall notify you of the steps it plans to take to ensure performance of the contract after such period and you shall then, following receipt of such notice, be entitled to end this contract on written notice to the School and without giving a term's notice or paying fees in lieu of notice.

- (d) What happens if your child is affected by an event outside of your control. Subject to Clause 4(i), if your child is unable to attend (or is likely not to be able to attend) the School due to reasons caused by an event you shall give the School notice in writing of such circumstances and the following provisions shall apply:
- (i) in consultation and cooperation with the School you shall do everything you reasonably can to minimise the impact of the event in order to continue to perform your obligations under this contract in any way that is reasonably practicable in the circumstances; and resume the performance of the obligations as soon as reasonably possible;
 - (ii) in circumstances where, following the efforts made and steps taken under (i) above, your child is not able to participate and benefit from any level of provision of education by the School then you shall not be responsible for failing to perform your obligations (including the obligation to pay fees, pro-rated accordingly) during the continuance of the event; and
 - (iii) if the event continues to prevent your child from attending the School or being able to participate and benefit from any level of provision of education by the School for more than six (6) months you shall discuss with the School a solution by which this contract may be performed and, following such discussions, you shall be entitled to cancel the contract on written notice to the School and without giving a term's notice or paying a term's fees in lieu of notice.

16. Communications between you and the School

- (a) Notices must be in writing. When this contract requires you or the School to give notice of something to the other then, unless we agree otherwise, this should be done in writing.
- (b) We will use the contact details held by the School to contact you. Communications (including notices) will be sent by the School to you at the address(es) shown in our records, or using your other contact details included in our records. **You must notify the School of any change of address(es) or other contact details.**
- (c) How to provide written notice to the School. Notices that you are required to give under these Terms and Conditions must be **in writing** addressed to the Head and either:
 - (i) sent by email to the School using this email address: office@pghs.co.uk
 - (ii) delivered by hand to the School;
 - (iii) sent to the School by recorded or other form of registered post requiring a signature upon receipt as proof of delivery; or
 - (iv) otherwise sent to the School's address by first or second class post.

In light of the importance under this contract of serving certain notices before a particular deadline (and the consequences that follow if you do not do so) we recommend that you provide notice under any of Clauses 3, 4(c)(iii), 5(a), 5(b) or 5(d) of these Terms and

Conditions² you telephone the School to confirm receipt if you have not received an acknowledgement from us within 48 hours (during term-time) and 72 hours (during a school holiday period) after sending the notice.

17. **The Law that applies to this contract and where legal proceedings may be brought**

- (a) *The law that applies to this contract.* The contract between you and it together with each matter relating to the provision of educational services by the School is governed by English Law and either you or the School must bring legal proceedings in respect of this contract in the English courts.
- (b) *Rights in relation to the enforcement of this contract.* If we choose not to enforce any part of this contract, or delay enforcing it, this will not affect our right to enforce the same part later (or on a separate occasion) or the rest of this contract. And, if we cannot enforce any part of this contract, this will not affect our right to enforce the rest of this contract.

18. **Changes to these Terms and Conditions**

Reserving the right to change these Terms and Conditions. We reserve the right to change or add to these Terms and Conditions from time to time for legal, safety or other substantive reasons or in order to assist the proper delivery of education at the School. The School will send you notice of any such modifications prior to the end of the penultimate term before the modifications are to take effect.

² ie, those provisions dealing with **withdrawing** your child from the School or otherwise changing your child's place at the School or the activities that your child is undertaking at the School
