

**Palmers Green High School (PGHS) seeks to appoint a well-qualified, enthusiastic and inspirational teacher to work in the strong and successful Mathematics Department.**

This is an exciting opportunity for a talented and committed teacher to be in a department that works collaboratively to get the very best from all pupils. The successful candidate will teach Mathematics across the age range in the Senior School.

In addition to the curriculum teaching, the successful candidate will contribute to the School's extensive range of extracurricular activities before school, at lunchtimes and after school.

At PGHS you will be teaching bright, interested and hard-working pupils in an academically selective girls' independent school. PGHS is **top** of The Sunday Times Parent Power league table for small independent schools based on GCSE grades.

The School welcomes applications from those currently teaching in either the maintained or independent sector.

Salary is in accordance with the PGHS Scale. The post is available as a full-time position.

**Further details of the post and the School can be found in the *General Information, Teacher of Mathematics General Information* and *General Job Description* documents.**

Palmers Green High School is committed to safeguarding and promoting the welfare of children, and applicants must be willing to undergo child protection screening appropriate to the post, including checks with past employers and the Disclosure and Barring Service.

**Applications should be submitted online at: <https://www.tes.com/jobs/>**

**The closing date for applications is Sunday 30<sup>th</sup> January 2022 at 12noon and interviews are anticipated to take place from the week commencing Monday 7<sup>th</sup> February 2022. We reserve the right to interview suitable candidates before the closing date so early applications are encouraged.**
